

COLLECTION 2021

Looking back at a most unusual year, I can now see the gifts that were hidden deep within. Keeping my family and business safe, concerns for my community, my aging parents, my employees, overflowing laundry baskets, hungry teenagers, too much screen time, canceled plans, ongoing uncertainty in almost every aspect of life.

With all of that, I decided to make time my gift. I spent time reflecting and walking, walking and reflecting. The result of both has been the ability to boldly take on 2021 with a refreshed spirit and renewed energy. I've let the challenges inspire me. Every aspect of my business was scrutinized and reviewed. Every closet in my house was cleaned and organized. From home, to the office and beyond, I tried to look at everything with a fresh eye.

One of those "new normals" is the face mask. Certainly not an accessory I had ever imagined adding to the collection, but one that is here to stay for the foreseeable future. We have chosen to offer face masks in two of our favorite fabrics. Ashby is a puckered linen offered in 4 colors (white, ivory, natural and blue). Ashby masks are comfortable and give an updated modern look that blends effortlessly with any clothing, day or night. Vintage Velvet (in 18 colors) gives you a little bit of glamour and you'll love the extra warmth in cooler climates. Both are made with 3 layers, including the decorative top layer, and inner layer of Pelon™ to trap fibers and a comfortable breathable layer of 400 TC sheeting with elastic ear loops. These pieces are best when washed and hung to dry.

Another "new normal" for TL is living up to our motto – made with love. Check our website for our new blog feature called LOVE LETTER where you will find inspiration, opportunities for giving and ways to incorporate TL at Home in your lives.

Take this journey with me, I am so glad you are here!

With 
Shari

At the heart of TL at Home is our collection of fashion fabrics. As you get to know us, you will see that some fabrics stick around in the linen for multiple seasons, and others can come in and out in a flash.

We always try to keep things fresh, interesting, and fashion forward!

Around here, #theTLEXperience means we will do whatever we can to fill your order, so if you don't see something, just ask! Our line includes fabric by the yard, duvet covers, shams, decorative pillows, bed skirts, box spring covers, bed scarves, and coverlets. Items are mainly offered with a plain edge, corded or self-flanged, with certain restrictions based on the characteristics of each fabric. Over the last 49 years, we have perfected the technique of making our bed linens to order, one piece at a time. Our experience makes us a perfect partner for stocking retail stores and interior design projects and hospitality clients. Based in Hudson, NY, our cut and sew operation uses a workforce of highly trained home sewers some of whom have been working with us for over 30 years! Our goal is to help you make your linens dreams come true. Always, made with love.

Now that you have found a fabric you love, let's talk about what can you do with it. This is where our expertise in "made to order" comes in. Our production team will make sure that your order is processed with superior attention to detail to make sure your order comes to you exactly as you expect it to. We make duvet covers, bed scarves, shams, decorative pillows, bed skirts, and we sell all the fabrics by the yard.

Made to order duvet covers come with interior ties and your choice of decorative wooden or pearl button closure. Duvet covers will reverse to self, or to white or ivory sheeting quality percale. We make the duvets one at a time, so if you wanted something else on the other side, just ask! If you want it to finish a special size, just ask! Our duvets will be made with a plain edge finish, but if you want it to have cording, or to be self-flanged, just ask!

Made to order bed skirts are available with tailored or gathered skirts. We offer both traditional deck construction as well as 3-piece panel style construction. We also allow you to choose the drop length of the skirt, and whether you want split or continuous corners. For your convenience, all of these options are offered at one great price.

Made to order shams have an envelope closure in back and are available with a plain edge, corded or self-flanged. Shams are shipped flat, but we do sell down and alternative down sham fillers for every size.

Made to order decorative pillows are finished with a hidden zipper and are available with a plain edge or corded. Many styles are offered with decorative trims – so look out for those! Decorative pillows are priced with a down form included, but if you want us to ship an alternative down instead, just ask!

There are some restrictions to what we can do with some of our fabrics, but if it is possible, we will make it happen! With a full range of sizes and custom capabilities, you are sure to find what you need. Please ask if you are envisioning something you don't see. Our team is focused on making your linens dreams come true.

DECORATIVE PILLOWS

Use any of our FASHION FABRICS to create customized decorative pillows in a variety of sizes. All decorative pillows are made to order in Hudson New York by our team of sewing experts and include a 90/10 feather down form also made in the USA. Alternative down is always available upon request.

VINTAGE VELVET

One of our favorite fabrics to make up into decorative pillows is our collection of silk and rayon Vintage Velvet. Offered in a range of delicious colors, these are fabrics that really need to be seen and touched to be appreciated! Available either with a plain or corded edge, and finished with a hidden zipper closure, these pillows become the “jewelry” of your design.

You’ll love the way this fabric picks up the light. What we love best is that it can be machine washed using a gentle detergent and either hung or tumbled dry on low heat.

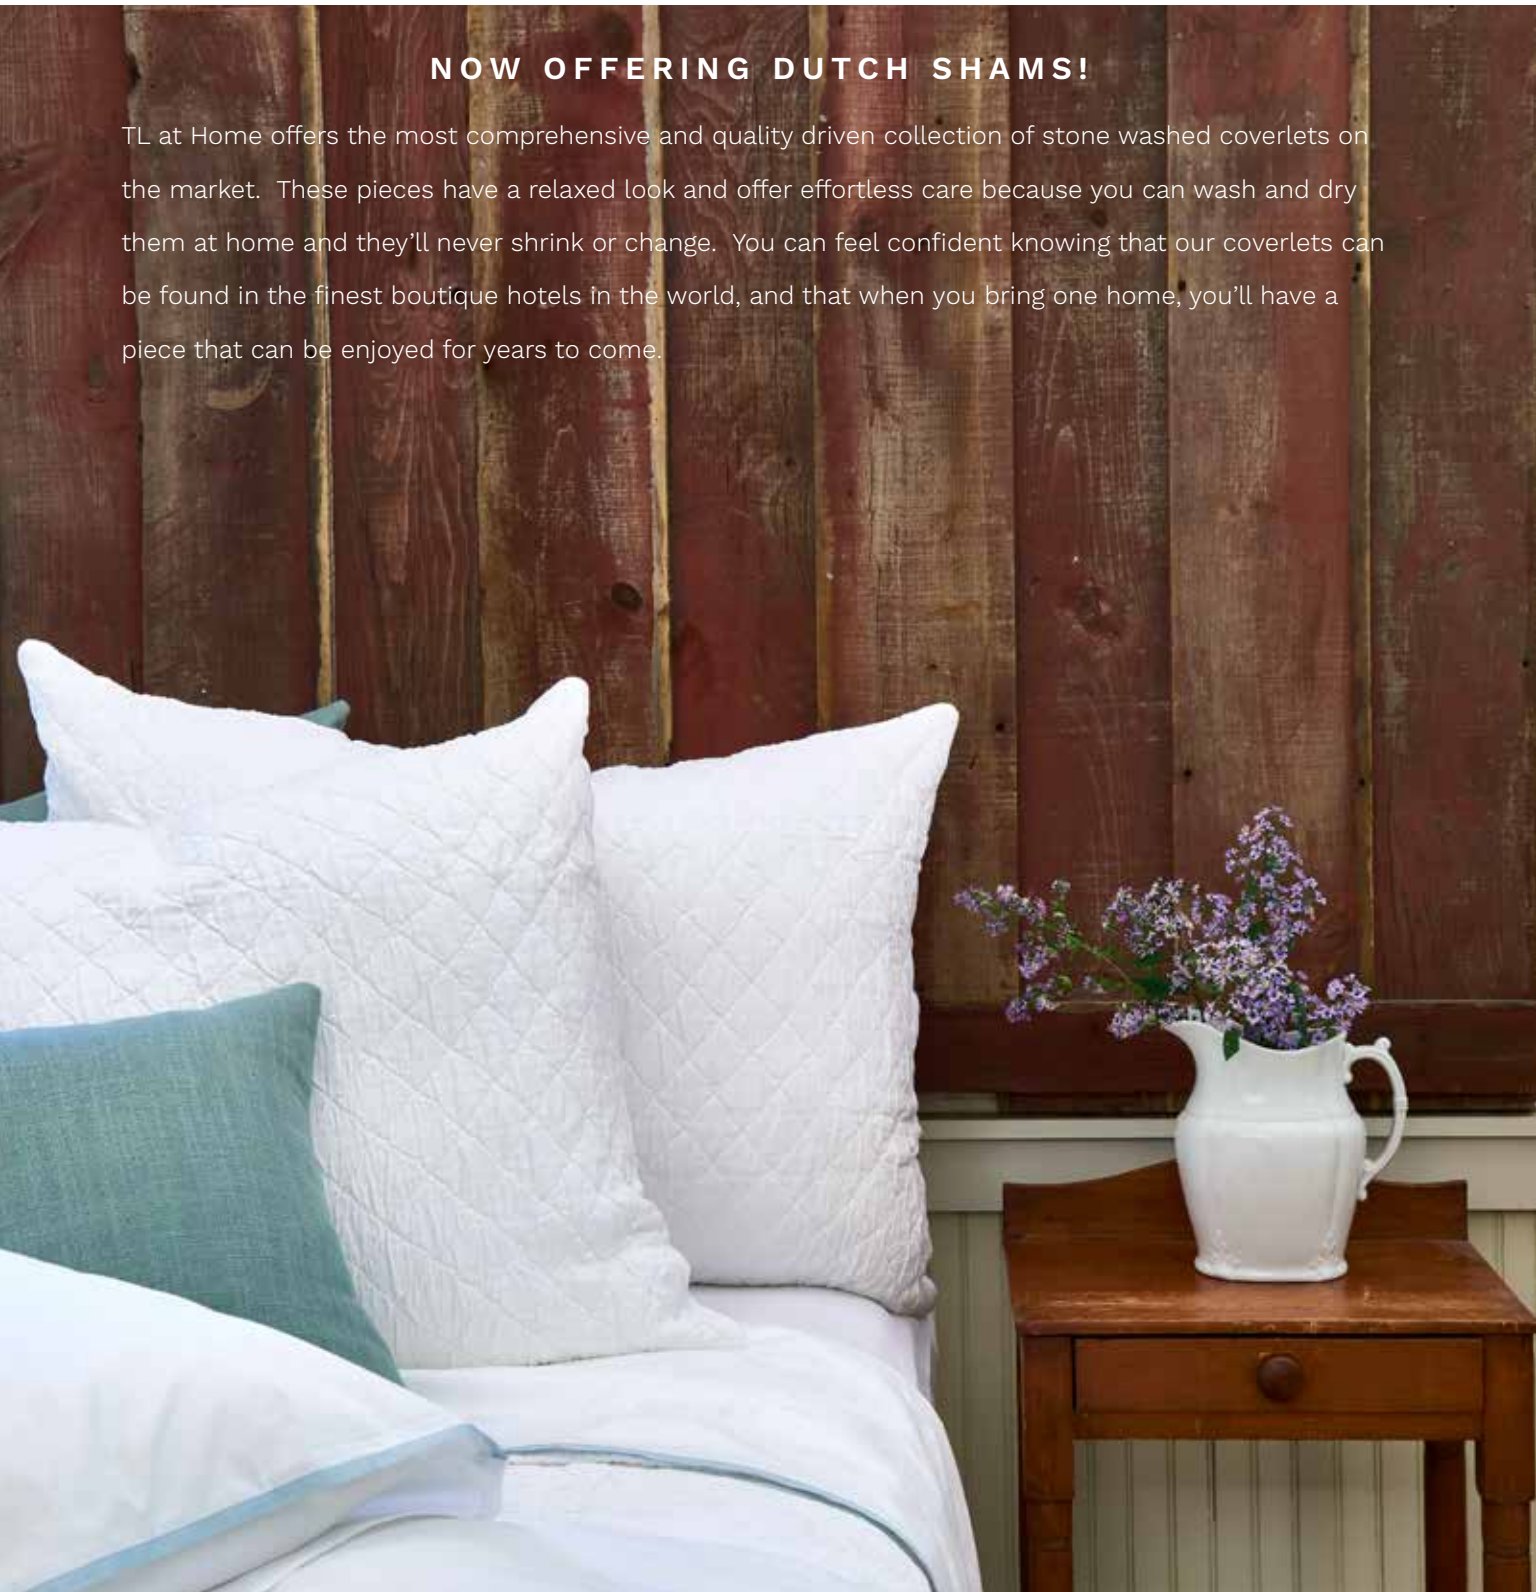

All Vintage Velvet products are made to order in Hudson, NY.

Besides decorative pillows, we also regularly use our Vintage Velvet for throws in two sizes, blankets, duvet covers, shams, and even for bed skirts. We always sell our fabrics by the yard for custom projects as well.

DUVET INSERTS, SHAM FILLERS AND PILLOW FORMS

We all know that we spend much of our time in bed and if you're browsing these pages, you already value that time and want to fill your lives with the very best, most comforting, well designed and constructed linens you can. Given how much we invest in creating products that will enhance your experience in bed, we don't stop with the linens. Each of our down and down alternative products is made in the USA with painstaking attention to detail.

Our collection of duvet inserts, sham fillers, and pillow forms are crafted using the same attention to detail and commitment to quality as the linens themselves. As animal lovers, we are dedicated to care and welfare and promise that our products do not come from farms where health and safety practices do not meet our stringent standards.

Each of the items listed below are available in pure white down and also in an allergy free down alternative.

DUVET INSERTS

We use 10" baffle box construction to keep the down in place. Our down is a unique three-dimensional cluster, with the ability to trap air and add warmth without weight. It's breathable and wicks away moisture while insulating. Allergy free alternative down is also available! Duvet Covers are sold flat, so please order your duvet inserts separately.
