SLEEP WELL WITH TL

Recently, a friend asked me where I find inspiration for my designs. I realized it's hard to put words to how my creative process works, but I'm starting to understand that it was inside of me from a very young age and that trusting myself is a crucial part of the process. All the creative pursuits I followed have led me to this moment. And currently, I am leaning into the idea of sleeping well.

It's simple, really. Waking up refreshed and ready to take on the world is the foundation for a good day. Good days become good weeks, good weeks become good years, and good years make a good life. If you can sleep well, everything else falls into place.

At TL, we start with the best fibers we can find. Our collections involve using innovative processes with a value on keeping our standards high. We work with the best people, and we care deeply about what we are doing. We evaluate and test each product to be sure it will look good, feel good and be able to be cared for at home in a way that fits into your lifestyle. Our products are carefully vetted so that you can feel confident that your selections will bring you joy. There is simplicity and beauty in these linens that will make your bed look and feel amazing.

We have new introductions in all categories but let me call our new line of SLEEP WELL sleeping pillows for your attention. We've worked with our partners to develop this line after years of testing and evaluation and we are thrilled to be able to bring them to you knowing how important a good night's sleep is. Start learning more about our sleeping pillows and our full line of duvet inserts, sham fillers, and decorative pillow inserts on page 78.

Thank you for joining along with us. We're so happy you're here.

Love,
Shari

T R A D I T I O N S

TL at Home has proudly been a Kline Family tradition, with deep roots in the Hudson Valley, for almost 50 years! Family is the very cornerstone of who we are as a woman-founded, woman-owned, and (mostly) women-operated business.

Our tradition is anchored in our approach to customer service. Always top of mind, our mission is to make your experience with TL outstanding in every way. Each item in our line is crafted with superior attention to detail and is "Made with Love," from our family to yours.

Uniquely TL, our concept of layering; offering appealing textures paired with thoughtful coloration and a choice for pattern, with the option to customize certain specifications allows you the flexibility to assemble your own personal collection of linens that meet the rigorous demands of a busy lifestyle.

TL at Home products span three categories of goods:

Made to Order

The heart and soul of TL at Home and where our tradition was born. From our array of fashion fabrics, we cut and sew duvet covers, shams, and decorative pillows. Making one piece at a time, to your specifications. Our professional staff of sewists has perfected the process. Unique, timeless, and always, made with love.

Imported Blankets + Coverlets

Spanning the last 20+ years, our imported line has grown and evolved in collaboration with our partner mills in Portugal. We value these longtime relationships, and the time-honored traditions Portuguese artisans bring to their craft. Our products balance heirloom quality with easy-care attributes. Stocking our imports in Hudson, NY allows for shipping within 48 hours from our warehouse.

Imported Made to Order Luxury Sheeting

The best of both worlds, our exclusive sheeting collections are made to order in Portugal. We start with the finest fabrics in percale or sateen, then cut to size, and finally apply hand-crafted trim applications for a stunning effect. There is nothing else in the marketplace that compares in craft and quality to what we offer in luxury sheeting.

Shown at Right: Nico Sand, Vintage Velvet Oatmeal, Rumor Natural, Gavin Camel, Louisa Linen, Dax, and Cypress Camel.

F A S H I O N F A B R I C S

At the heart of the TL at Home collection is our collection of fashion fabrics. Each season we bring in fabrics from which we make duvet covers, shams, decorative pillows and we sell all the fabrics by the yard as well. You'll recognize some fabrics as having longevity season after season and others come and go more quickly. If you are wondering about a fabric you aren't seeing anymore, please ask us. Our motto is that if we can make it happen, we will.

We have perfected the technique of manufacturing luxury bed linens to order, one piece at a time. Our experience in this is unparalleled and makes TL the perfect partner for stocking high-end retail stores and for interior designers and the hospitality industry. Based in Hudson, NY, our cut and sew operation uses a workforce of highly trained sewing experts who share our passion for beautiful linens.

Use the made to order section of our website or your price list as a reference guide to see exactly what items can be made up in each fabric. Join us to discover what #theTLexperience means!

SLEEP WELL WITH TL

There's no denying it. Sleeping well starts with the right foundations. Sleeping pillows, duvet inserts and sham fillers make all the difference in the world when it comes to making your bed look as amazing at home. Call this the nuts and bolts, the behind-the-scenes workers. Whatever you call it, don't go to sleep without the right forms!

Our collection is crafted using the same attention to detail and commitment to quality as the linens themselves. As animal lovers, we are dedicated to their care and welfare and promise that our products do not come from farms where health and safety practices do not meet our stringent requirements.

Each of our items listed below is available in pure white down and an allergy free down alternative.

DUVET INSERTS

Our all-season premium snow-white goose down duvet inserts have 600 FP (fill power) covered in 100% cotton with double needle stitching, and cotton piping. We use 10" baffle box construction to keep the down in place. Our down is a unique three-dimensional cluster, with the ability to trap air and add warmth without weight. It's breathable and wicks away moisture while insulating. Allergy free alternative down is also available! Duvet Covers are sold flat, so please order your duvet inserts separately.

Shams are sold flat, so please order your sham fillers separately.

PILLOW FORMS

Our pillow forms are generously stuffed to help your decorative pillows look their very best. While our decorative pillows include the pillow form, we also sell all our sizes separately for custom projects. Allergy free alternative down is available upon request.
